

Evaluation Instructions

1. Read the criteria in each box below, and review your website for compliance.
2. Using the gray circle, rate your work on how well you believe your website accomplishes the criterion. You may place the circle anywhere on the scale.
3. If you have any notes or comments for me, type them in the gray box to the right.
4. I will also review your work and leave feedback and my rating in each box.

BEGINNING

I need to review and learn more about this area before acquiring these skills.

DEVELOPING

I'm still working on fine-tuning the skills to meet these criteria.

ACCOMPLISHED

I meet most of the criteria, but I have a little more to improve upon.

EXCEPTIONAL

I have met all the criteria.
