# Navigation

- The main navigation is accessible by keyboard and uses ARIA attributes where and if appropriate.
- The current page is indicated visually and to a screen reader in the main navigation.
- A skip to main content link is on each HTML document.
- The tab order is logical.

BEGINNING   DEVELOPING   ACCOMPLISHED   EXCEPTIONAL

Anything else I should know?

Type any notes or other items you would like the instructor to know or consider here. You may leave blank if not necessary.
